## **Journal of Science Education**

1. Any manuscript submitted for publication in this journal must be an unpublished work and not under consideration for publication elsewhere. The articles should deal with matters that are of importance to Pure and Applied Science, Entrepreneurship, Science, Technology and Mathematics Education, and Business and Vocational Education.
2. Articles should not be more than fourteen type written pages of A4 size paper (double spacing) including references. An abstract of not more than 200 words should be included.
3. The paper should be typed using Microsoft word, with font type New Times Roman and size 11. All headings and sub-headings should be bold. Three hard copies of the paper should be submitted along with a CD plate (soft version) with an assessment fee of three thousand naira only.
4. The cover page should contain the title of the article, the name(s) of the author(s), a short address identifying the designation and affiliated institution(s), including functional e-mail address and telephone number(s).
5. References should be done on a separate page at the end of the article in line with American Psychological Association (A.P.A.) format.
6. Only articles found publishable after assessment by experts will be published on payment of the required publication and vetting fees.
7. Author(s) will receive one free copy of the journal. Extra copies may be obtained at the cover price.

All manuscripts should be addressed to:
